**Confirmation of Participation in RMS 4-day Course**

To: Huaiyu Zang PhD

This letter is to confirm your participation in the intensive four-day Regression Modeling Strategies course which was held online May 11–14, 2021. The course involved live participation, with six class hours on the first three days and four class hours on the last day. The course covered statistical modeling methodology especially related to predictive modeling and model validation. Details about the course may be found at [hbiostat.org/doc/rms/4day.html](https://hbiostat.org/doc/rms/4day.html). This course is not taught under the auspices of Vanderbilt University.

Sincerely,

Frank E Harrell Jr, PhD  
Professor of Biostatistics
